The Syndicate, vide paper read as 1st, has resolved to formulate the following guidelines in granting Marginal increase of seats for the existing UG Programmes in the colleges for the academic year 2014-15.

- 1.As the admission is through Single Window, Marginal increase is allowed to all programmes in all colleges without waiting for an application from the College and with the condition that it should not involve any financial commitment to Government or University.
- 2.Marginal Increase shall be allowed upto 25% of the sanctioned strength of the college in Arts and Commerce programme subject to the maximum of the statutory limit.
- 3.In case of Science subjects, Marginal increase of seat is allowed upto the statutory maximum of each programme considering the decrease in the number of students due to the admission of professional programmes.
