

Copy of letter No.DPE/A2/Admission/04-05 dated 06.09.94 from the Registrar, University of Calicut, Calicut University. P.O., addressed to the Principals of all Government Colleges (Arts & Science) affiliated to the University.

Sir,

Sub : Reservation of seats for Sportsmen at Pre-Degree and Degree course – clarification – regarding.

Ref : 1. Rules for admission of students to Pre-Degree and Degree courses under Calicut University.

2. G.O.(MS)258/78/GAD dated 09.06.78.

...

As per University Rules of Admission, one seat is reserved for Sportsman/Women for each batch of the Pre Degree classes and one seat in each Main subject. BA/B.Sc/B.Com courses will be reserved for sports. The selection to these seats are to be made by the concerned college Principal and the Physical Education Department.

As per reference second cited one seat is reserved for sports Men/Women for Pre-Degree in each Arts and Science Group. Similarly at the Degree level one seat is reserved for BA and B.Sc. in each Government Colleges over and above the University reservation under sports quota.

Hope this letter would clarify the doubt raised by some Principal's regarding the number of seats reserved for sportsman/women in Government Colleges.

Yours faithfully,

Sd/-
REGISTRAR.
