ORDER

The Modified CUCBCSS UG Regulations 2014 has been implemented vide paper read as (1) w.e.f. 2014 Admissions for all UG Programmes under CUCBCSS Regular and SDE in the University of Calicut.

Vide paper read as(2), SDE sought certain clarifications on stream change from Regular to SDE.

Vide paper read as (3), the Steering Committee on CUCBCSS UG 2014 considered the matter and resolved to make the following clarifications on Stream Change from Regular (affiliated colleges) to SDE:

- The Regular Students (affiliated colleges) having a gap of one or more semester/year after discontinuation of his/her studies from regular stream can also join the Distance Education stream in any semester in the same programme or a different one.
- Readmission period is limited to 5 years from the date of discontinuation of the course as per U.O.No. 3196/2016/Admn Dated 21.03.2016.
- If there is change in complementary courses, it can be done with following conditions: i) the external and internal marks /grade obtained in the previous semesters for the earlier complementary courses will be cancelled. ii) the students have to write both the internal and external examinations for the previous semester for the new complementary courses along with the subsequent batch.
- There will be provision for **credit transfer**.

For credit equivalence, more than 70 % of modules in the two syllabi are to be identical.

For the conversion of grade points into % of marks, the following formulae are to be adopted:

A) For the conversion of internal grade - **grade point x 20/4**

B) For the conversion of external grade - **grade point x 80/4**

- If a student is readmitted to 5th semester, i.e., after completing the complementary courses during 1st to 4th semesters, the marks already obtained can be considered and there is no need of repeating the complementary courses. If not passed, he/she has to appear for supplementary exam under SDE.

Vide paper read as (4) The Vice Chancellor approved the minutes of the meeting of the Steering Committee on CUCBCSS UG 2014, subject to ratification of Academic Council and ordered to implement the resolutions.

Sanction has, therefore, been accorded for implementing the above decision of the Steering Committee on CUCBCSS UG-2014 on the stream change from Regular to SDE.

Orders are issued accordingly.
