## CHOICE BASED CREDIT SEMESTER SYSTEM

### B.A. DEGREE – HINDI PROGRAMME wef 2012 admn

#### CHOICE BASED CREDIT SEMESTER SYSTEM

#### BACHELOR OF ARTS PROGRAMME IN HINDI

An Overview:

##### Importance of Language.

It is an undisputed fact that in the present day world the importance of Language is increasing day by day. Almost all the thinkers agree that thought is not possible without Language. The world today faces many a problem which are to be handled with a sympathetic mind structure. To build such a mind structure the study of Language and Literature is most essential.

##### Importance of Literature:

Literature is the best tool to make a human being a real human being. It instills in him empathy and sympathy towards his fellow beings. It broadens his mind so that he can analyze different kinds of thoughts and ideals. It enables him to assimilate what is good for the mankind. A real reader is a real humanitarian subject to what is offered to him in the name of Literature. As Premchand mentioned in his article 'Mahajani Sabhyata' the basic problems faced by human beings are universal in character. They do not belong to any particular country, community or cast. Hence their solution is to be searched universally. In this endeavour Literature whether it is of Malayalam, Hindi, English or of any other language only can help him.

##### Importance of the study of Language.

In the technological atmosphere prevailed earlier Language study was forced to take a back seat. But now the world is beginning to understand the importance of Language because it is the best and most used media of communication. In a way the lack of substance in communication is the root cause of all the misunderstandings.

##### Importance of the study of Literature.

As already mentioned the study or real appreciation of Literature can make a man a man capable of understanding others. The real reason of conflict is misunderstanding. When we realize the other human being as our own another self the problem of misunderstanding ceases to exist. Study of Literature helps man to achieve this greatest and all important gift.

##### Importance of the study of Hindi Language and Literature.

The Kerala society is very generous in accepting the good of others and assimilating its essence. After Independence the role of Hindi in Kerala's educational field has improved very much. Hindi is included as third language in the curriculum at high school level studies and as an elective language for second language at Plus 2 level. Parallel streams are also at work in the state giving opportunities in the study of Hindi Language and Literature. At graduation level also Hindi is an elective second language. All the colleges in Kerala offer this facility to the undergraduate students who are interested in the study of Hindi Language and Literature. The curriculum designed earlier for the Hindi students of Kerala was appropriate. But changing times demand some subtle changes. The curriculum has to be more specific, more practical and more

professional. Hence essential changes are made in the curriculum to fulfill the new aspirations of those students of Kerala who take a deep interest in learning Hindi.
